STATEMENT OF SUBSTANCE OF INTERVIEW

Dear Examiner Taylor:

A telephone interview was held between Examiner Taylor and Applicants' representative, Janaki K. Davda, on Monday, December 31, 2007, at 3:30 p.m. (EST).

During the telephone interview, amendments made to the claims in an Amendment filed on December 27, 2007 and Ingersoll et al. (U.S. Patent 7,047,488) were discussed. Applicants' representative discussed that the Ingersoll patent did not automatically generate a schema information document as claimed. No agreement was reached.
